Dear Jay and Laura:

It was great to have you as our speakers for our annual Marriage Retreat Weekend. We had such glowing reports on our response forms. I have also received e-mails from people telling me how much they liked your presentation. One woman wrote, "The speakers were funny, uplifting & had a fresh approach to marriage advice." One of our elders wrote that usually he found marriage retreats to be ponderous, but this one had the right balance of humor and practical ways to build your marriage. According to him this retreat was the "best one yet."

Best of all, I personally know of one couple who were on the verge of filing for divorce. After the retreat they came to me and said that they had recommitted to working on their marriage.

It was great to reconnect with both of you and we look forward to future opportunities to avail ourselves of your ministry.

Sincerely,
